

Hello!

Yay! I finally found a translator for chapter 7 of Hana no Mizo Shiru! So everyone give your thanks to [ninjacow258](#) for her wonderful translations and also ooyamakloo who did such a nice job cleaning the raws!

And so w/o further ado...

Enjoy this chapter!

Next chapter is coming out in 2 weeks, so I'll try to get the magazine as soon as it's out and hopefully have it scanned and ready for translation

A black and white illustration of a study desk. On the left is a large book titled 'Study Skills'. In the center, a sign on a stand reads: 'If you want to get a good grade on a test, all you have to do is study'. To the right is another book titled 'Study Skills' and a pen.

If you want to get a good grade on a test, all you have to do is study

A black and white illustration of a young girl with short, wavy hair, looking slightly to the side with a thoughtful expression.

Ah

If the choice is saying "yes" or "no", all you have to do is choose "yes"

I'll be in your corner

A black and white illustration of two people standing outdoors. On the left, a person with dark hair is seen from the back, wearing a striped shirt. On the right, a person with light-colored hair is facing them, wearing a jacket.

If you like the girl who's confessing to you ...

A black and white illustration of a person's foot stepping forward. The foot is wearing a dark sock and a sneaker with laces.

Luckily, when it comes to whether accept or reject, my answer has always been clear

never wavering

Until now....

CLUB

Good morning--

Since no one came to the door, I thought you died in here.

ANNOYED

Even if it's this, you should say that you came because you were worried.

It's so rare that you would catch a cold.

so I came to check it out.

Isn't the deadline very soon?

Isn't that the problem room you mentioned earlier...? You didn't submit the application?

But now that I know you're still alive, I should go--

Ministry of Justice
Federal Examination
Committee

...

Get
together
again?

I suddenly
lost myself
in anger...

Oh...?

What?

was I
like
before?

What you
were
like...?

and said
something
I shouldn't
have

That is the
first time...

that I have
regretted
so much

Times like this,
normally I would
immediately find
the best solution.
But right now I have
no idea what I
should do.

I feel
better
now

So something
really did
happen

Shock

Even if it's you,
you can still
sometimes
become upset

or sad

or lost,
right?

Heaven...

?

I've never
heard you
say anything
discouraging

you're
always so
focused

I always wondered
what kind of
superhuman
are you... But now I
know my friend
is a normal guy too.
That's great...

Pong

Wait!
Don't
go yet!

Sorry

I spent all day thinking
about what happened
with Maska.

but I still don't have a clue—

Now
is the
time
to
say it.

Oh

Don't you
have
something to
say to
Maska?

Take it,
Misaki

something given
to Misaki by
someone
important
to him

I can't hold
on to this

This might be

This feeling...

That kid, without
that he's useless

clench

I told
you

to
throw
it away

I really wish it
would disappear
soon

It's so frustrating

Misaki, who always
looks so lonely...

I should be happy that
there's someone valuable
at his side—

His?

You
see?

But...

this really
does suit you,
so don't
waste it.

Grab

What
for me
have

I'll go
get a bag

Uh...

Ooh...

Ah...

Just
use
your
nose
to
breathe

That's
it...
